Great Kids...

is a not-for-profit organization that provides free Life Skill Enrichment and Tutoring Programs to 159 at-risk children.

Our programs equip children to excel in school academically and socially by motivating them to improve their self image, attitude toward learning, and their ability to handle life's challenges.

Come join the Cinco de Mayo celebration at Fish City Grill featuring Connie Estrada, who has been entertaining professionally since 1969, first in the Greater Chicago Area and now in Ormond Beach. She will be taking us down memory lane from 7-9 pm with the light sounds of the 50's, 60's, and 70's hits as you enjoy your dinner.
